Ask	Eraser	Monitor
Bell	Grade	Principal
Background	Kindergarten	Prize
Chalk	Lesson	Question
Copy	Notebook	Reader
Desk	Nursery	Recess
Forget	Row	Ruler
	Rubber	Science

Dear Parent or Guardian, The Language Lab is used to further your child's vocabulary and language. The following vocabulary is based off of the Ling Thesaurus. It is important that your child understand the concept of each word in the phases. Phase 1 contains words most frequently used and learned first. Phase 2 contains the next most frequent words. Phase 3 contains words needed for a basic minimum reading level. Phase 4 contains words that should be used in school life. Use this a guide and resource as much as you can to interact with your child and improve their language

--Beginnings SC Team

### Take a Trip!

Take a trip to your child's school, or a school in your area. While walking around the school identify words from the list. Talk with your child about the function of each word. Have your child say at least a sentence about each word that you find.

### Grab some materials!

Have your child create a story about a day at school using as many words from the list as they can. Write down the story for them or have them write down the story. Have them also draw a picture along with the story.

Visit our Pinterest for more activities:

### Use your imagination!

Find a space and use it as a classroom. Have your child pretend that they are at school. Have them pretend to be different people around the school: teacher, principal, student, etc. Make sure that they are using words from the list.
