Valentine's Day

Dear Parent or Guardian, The Language Lab is used to further your child's vocabulary and language. The following vocabulary is based off of the Ling Thesaurus. It is important that your child understand the concept of each word in the phases. Phase 1 contains words most frequently used and learned first. Phase 2 contains the next most frequent words. Phase 3 contains words needed for a basic minimum reading level. Phase 4 contains words that should be used in school life. Use this a guide and resource as much as you can to interact with your child and improve their language

--Beginnings SC Team

Take a Trip!

Go to a local event/ party store observe and talk about each item that you see. Talk about what each item is used for, Create a list of words that you find from the list and a list of words that aren't on the list, but you see at the store. Review this list with your child when you get home.

Grab some materials!

Have your child create invitations to various events related to the list (Christmas party, Wedding, Birthday, Etc.). In the invitations have your child include as many words for the list as possible. Talk about each invitation that they make.

Visit our Pinterest for more activities:

Use your imagination!

Act out with your child how you would act and what you would say if you were going to a certain event related to the list. Talk about what you would wear, what you would eat, who you would see, etc.

Share Photos of your
language lab
experience with us!
