Dear Parent or Guardian, The Language Lab is used to further your child's vocabulary and language. The following vocabulary is based off of the Ling Thesaurus. It is important that your child understand the concept of each word in the phases. Phase 1 contains words most frequently used and learned first. Phase 2 contains the next most frequent words. Phase 3 contains words needed for a basic minimum reading level. Phase 4 contains words that should be used in school life. Use this a guide and resource as much as you can to interact with your child and improve their language
